

He does all things well

November 2022

Dear Pastors, Friends, and Faithful Supporters,

Wow. I think that is a fitting, one-word summary of this past month.

We held our first **baby dedication service** at our church plant and **22 people came**. While we didn't have any new visitors, we were excited to have people come back. The following Sunday, we had a few people out, but with visitors and all, there were still 20 present. With our **auditorium space just over 300 sq. feet**, we are praying for wisdom in how to proceed with the space we are in.

Baby dedication ceremony

One of those who has been coming is a man named Mr. Terao. He had been coming to our 3-month guitar class which ended in October. He AND his wife have started coming recently on Sunday mornings. Please be praying that they get saved.

Sunday morning church

We also **took a week off as a family** to visit Okinawa, the southern islands of Japan. Traveling with three little ones is an adventure, but God also allowed us to get some much needed rest. The week after we got back, the swelling above my knee seemed to disappear. Since, my **knee has continued to get better**, but I am still needing to **continue rehab** for a full recovery. There is much to do, but since rest is also an act of faith (believing that God can work even while we rest), we were thankful for the chance to get away.

Quick family photo. Ezra has been grabbing things and trying to walk!

The Lord is doing a work here. We ask that you pray for people who have been hearing the Gospel to get saved. We also ask that you pray for those who are professing Christians to be emboldened in their witness. The church plant will need to see more people empowered and proactively living for the Lord for the work to continue to grow.

Other things like a **second location**, **Christmas outreach**, and **youth group** are in the works. I do not have the space to write about each in detail, but please be praying for these. This is the LORD'S work and we need HIS strength.

P.S. Our mission board's address has changed! Please be sure to update when sending in support
