Church-planting Missionaries to Japan

November 2023

Dear Pastors, Friends, and Faithful Supporters,

Thank you for praying for us and partnering with us so we can continue working in Japan.

Our average weekly attendance has dropped somewhat compared to the same time last year. However, the number of people who are involved in working through discipleship material to help solidify their faith is at an all-time high. We go over topics such as assurance of salvation, assurance of answered prayer, etc. and believe this time will help create a good foundation for the months and years ahead.

James turned 30 this month. One of the ladies who regularly comes invited a number of people who have previously come to church before to be part of the birthday celebration after the service

The cold winter air has moved into Nagoya. We are finding ourselves pulling out the sweaters and enjoying the warm drinks.

During this time, we are preparing for our upcoming kids program in January. Would you pray that God will use this to help us reach the community around the church? We are working to lay some foundations with our volunteers and promote the kids program. Presently, we are planning on doing it twice a month on Sunday afternoons. The flyers have started to go out and we have also been promoting on social media as well.

There are several people who have continued to attend on Sunday mornings but have not professed faith in Christ yet. Please pray that as we preach from the Gospel of John that Jesus is the Christ, the Holy Spirit will convict and work.
